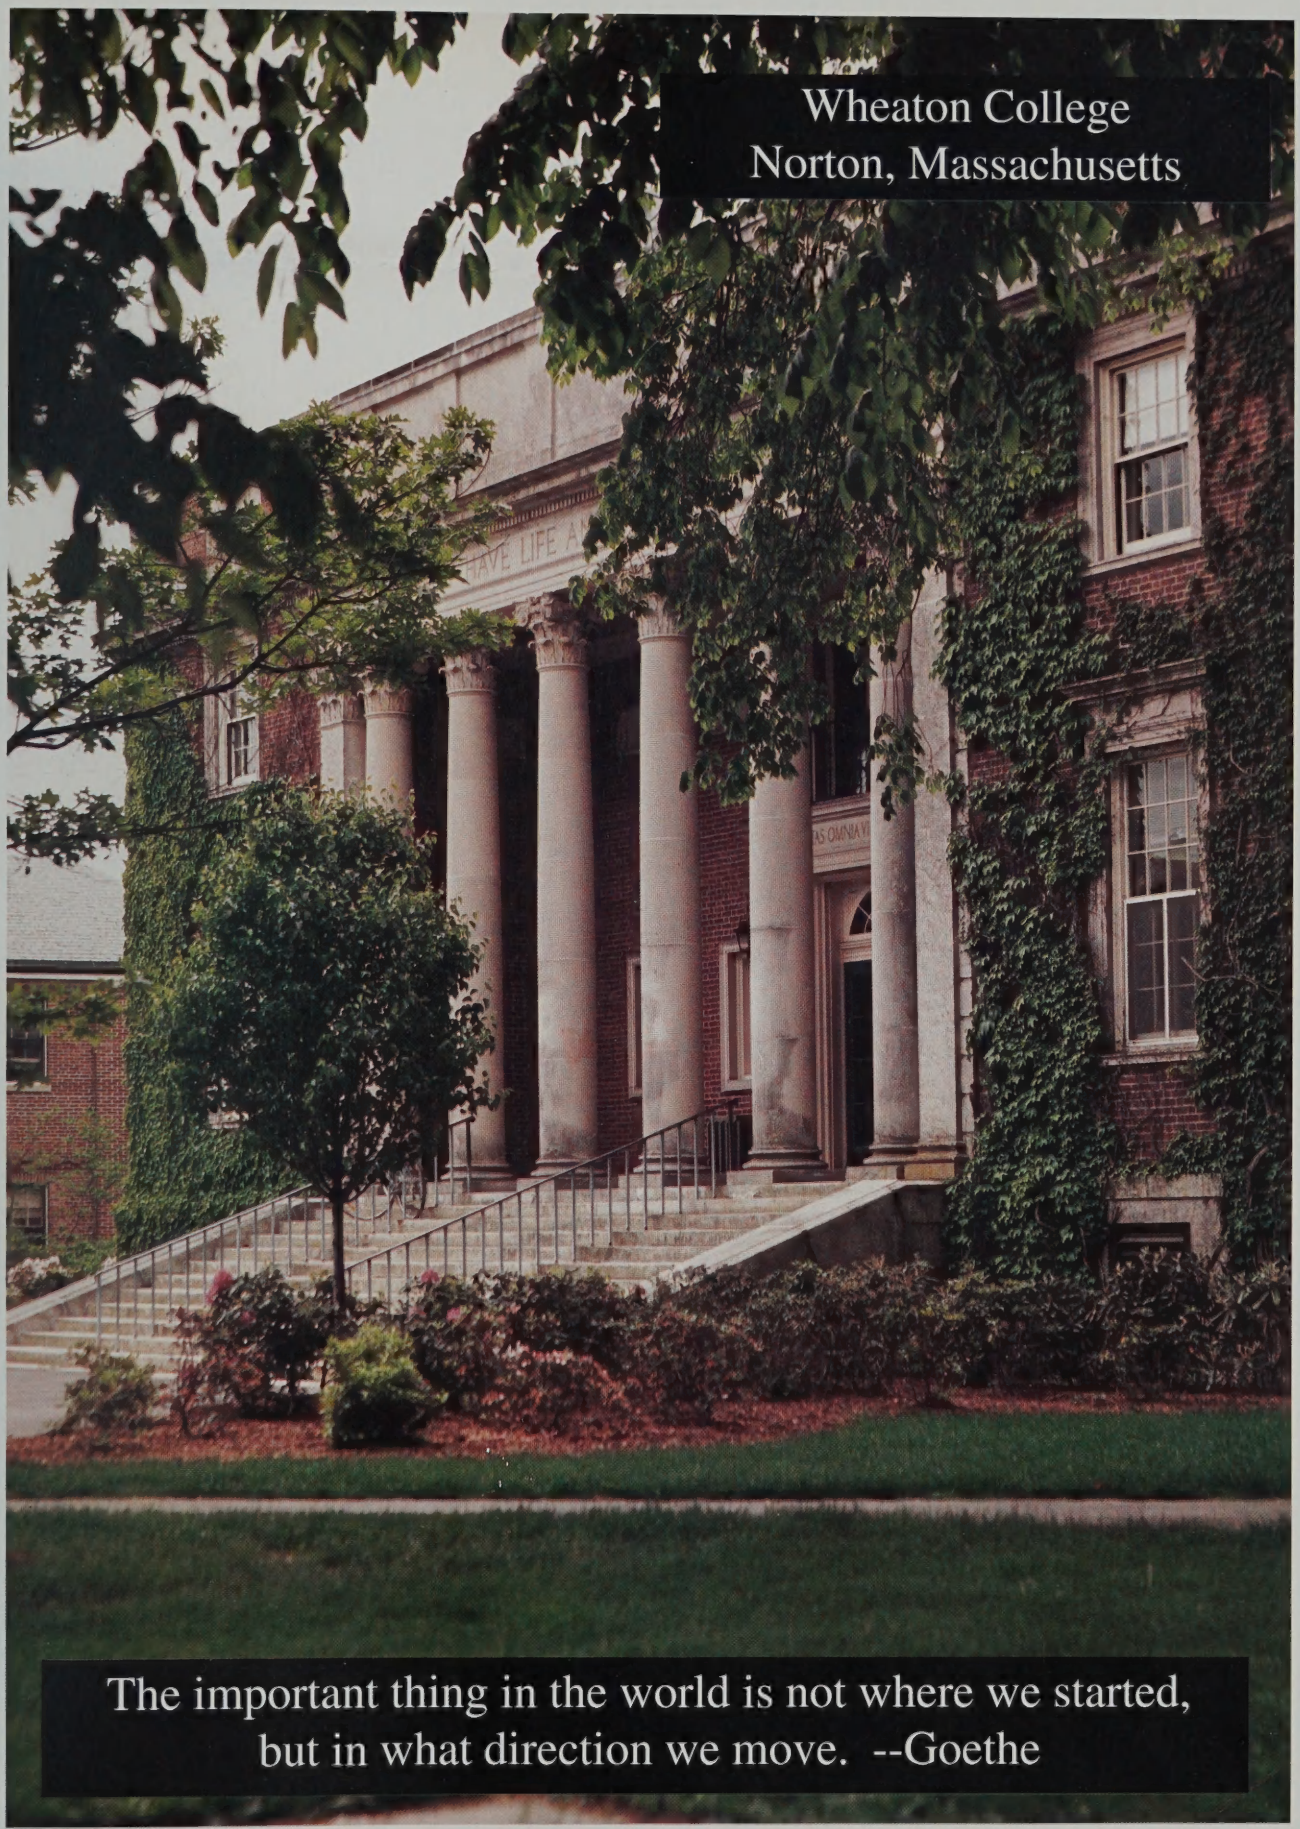
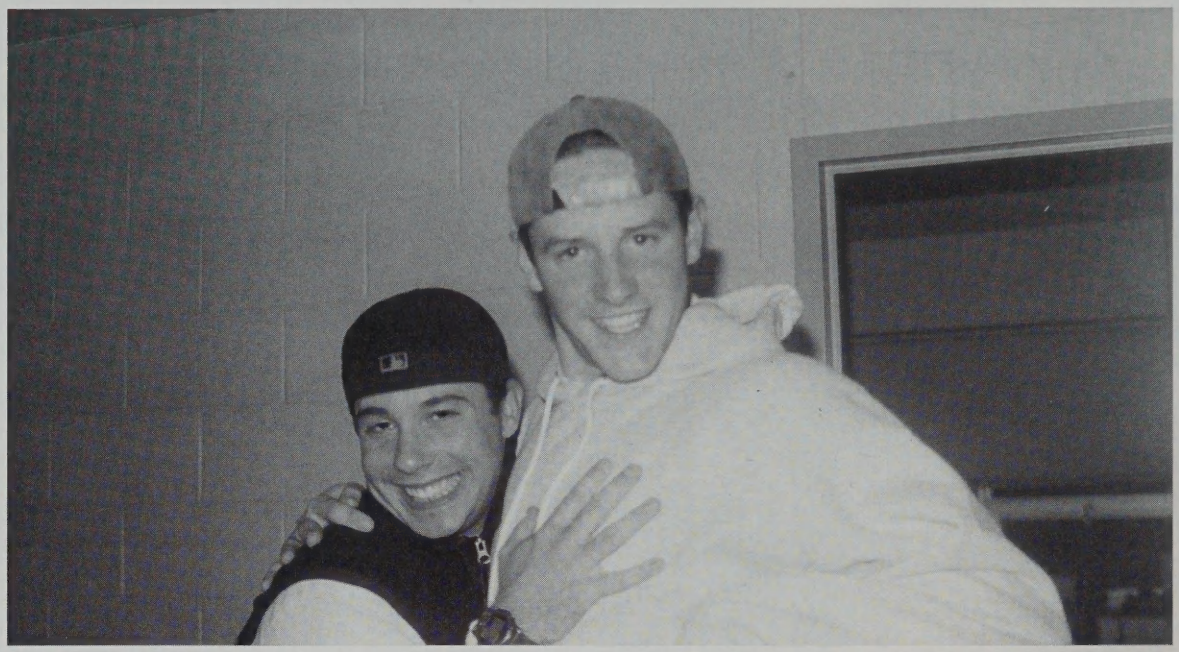
NIKE 1908

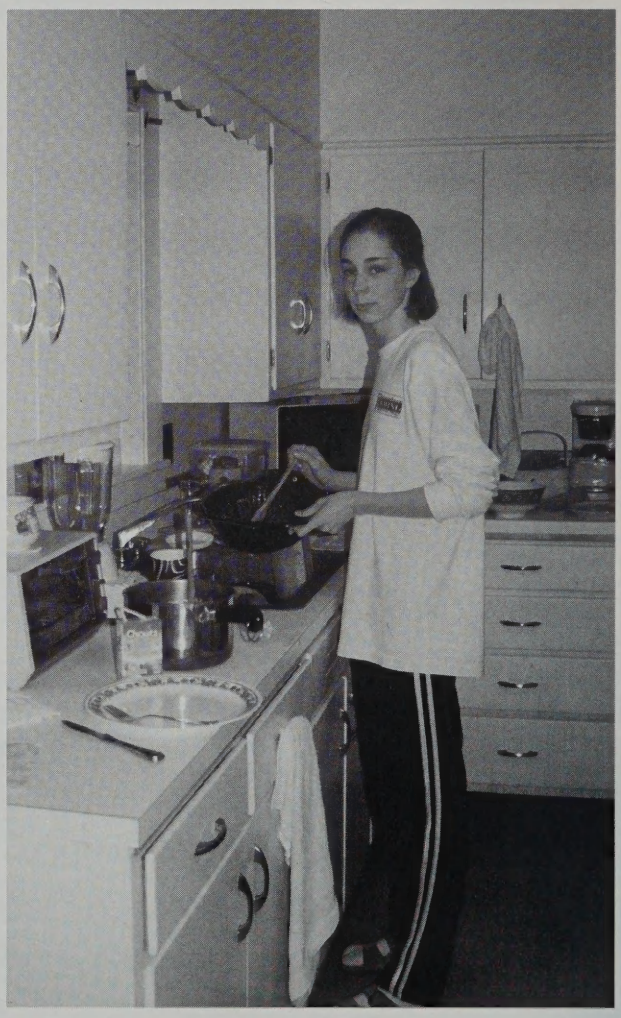
THAT THEY MAY HAVE LIFE AND MAY HAVE IT ABUNDANTLY
NORTHWESTERN COLLEGE
1861
1911

Admission Office



Wheaton College
Norton, Massachusetts
The important thing in the world is not where we started,
but in what direction we move. --Goethe





Wheaton is a great school, the
community is wonderful,
but most of all, the first thing I really
liked about Wheaton was how
friendly everyone was.
--Erik Lambton

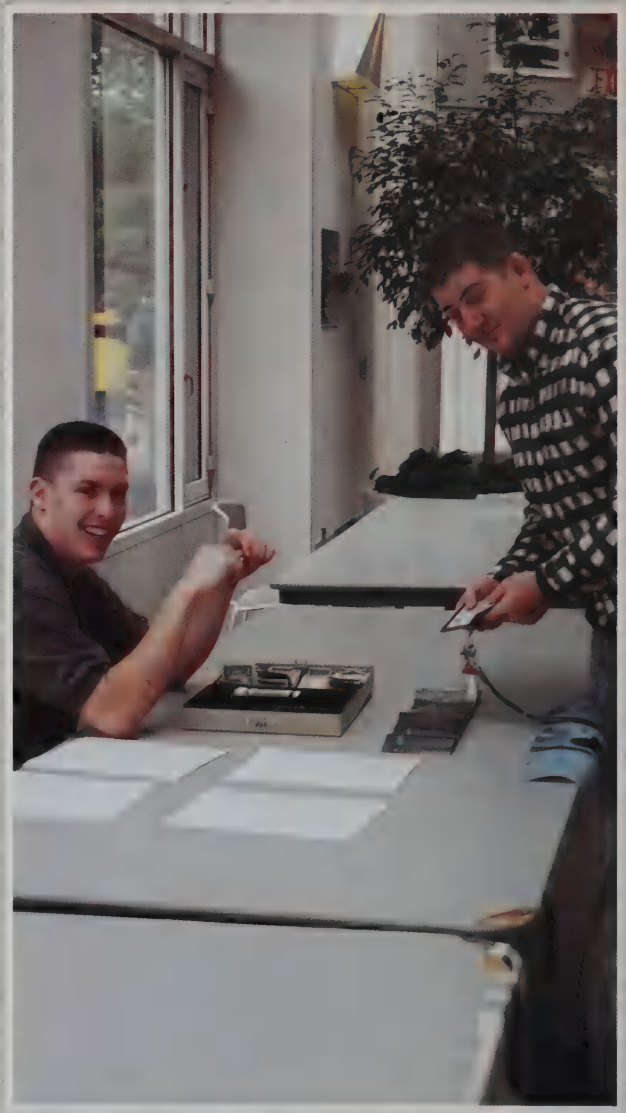
McBURNEY
FOR
PRESIDENT

Strangers are just friends
waiting to happen.
--Anonymous

Wheaton is a microcosm of the real world, only it's better because the real world has no honor code--unfortunately.
--Pam Congdon



How rare and wonderful is that flash of a moment when we realize we have discovered a friend.
--William Rotsler

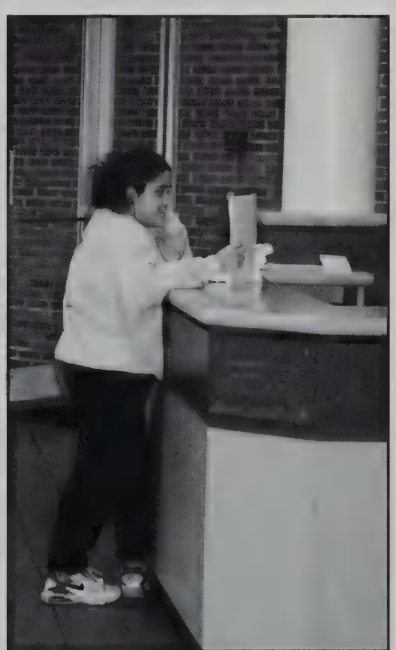
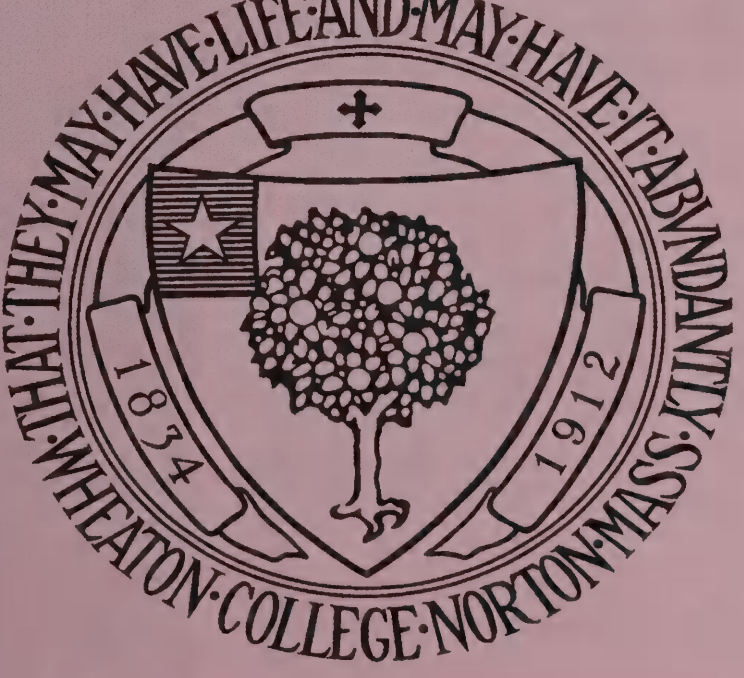
BLOCK ISLAND

One of the signs of passing youth is the birth of a sense of fellowship with other human beings as we take our place among them.
-Virginia Woolf



Clubs and Organizations



Asian Students Association (ASA)

The Asian Students Association is dedicated to providing a meeting place for its members to discuss issues and events to further the awareness of Asian Culture on campus. The ASA deals with both the political and social aspects of being Asian. We host a variety of activities during Asian Diaspora Month and we send our members to a variety of educational conferences dealing with issues of relevance.

BACCHUS

BACCHUS (Building Alcohol Consciousness Concerning the Health of University Students) is one of the many social groups which Wheaton provides. Promoting responsible drinking and sponsoring alternatives to alcohol, BACCHUS's efforts can be seen campus-wide throughout the academic year. From the weekly presentations of box office movies to serving mocktails at social events to the annual Moonlight bruch, BACCHUS provides something for everyone.

Black Students Association (BSA)

Christian Fellowship

The Wheaton Christian Fellowship, a chapter of Intervarsity Christian Fellowship (IVCF), is a group of students who are learning what it means to follow Jesus on campus. We get together five times a week to pray and ask God for His guidance and power in our lives. We know many people have questions about Christianity, so we plan events and opportunities like our weekly large group meetings, conferences, and workshops focused on different Biblical passages to introduce people to the teachings of the Bible.

Dance Company

The Dimple Divers

A new addition to campus groups in 1997, the Dimple Divers became Wheaton's first improvisational comedy group. Performing in such places as the Lyon's Den, the Balfour-Hood Cafe and the Loft, the Divers have continued to grow in experience as well as recognition. With auditions every year, the group will continue to provide the campus with a reliable source of comedic entertainment.

Eclectia

Eclectia is a literary magazine which publishes student poetry, prose, artwork, and photography in an annual publication.

Equestrian Team

German Club

Wenn du glaubst, daß die Deutschen nur Sauerkraut und Wurst essen und Lederhosen tragen, dann komm zu uns und lass dich überraschen!

Habitat for Humanity

This year Wheaton College has been granted official campus chapter status by Habitat for Humanity International after a two year application process. Our group serves the local communities by volunteering our time to improve housing for low income families in the area. We occasionally participate in the Collegiate Challenge, and we work to educate others on fair housing issues. Our group has a community service basis and we always welcome new members.

Hawaii Club (Mahale Aloha Uhane)

The purpose of the Wheaton Hawaii Club is to share the Aloha Spirit. We seek to share Hawaii's unique culture with the greater college community. In this we hope to keep in touch with home as well as to educate others on campus who have the desire to learn about our home. Although our home is thousands of miles away, it will always live in our hearts. Wherever we go, we take pieces of Hawaii with us. Thus we progress with open arms ready to share and learn.

Helping Out Mother Earth

In its second year, HOME has been gaining momentum as a student organization dedicated to raising the Wheaton community's awareness of environental issues on and off campus. Students have volunteered at an organic community garden, provided support services to the Wheaton Recycling Program, and sponsored campus lectures on diverse subjects such as low-impact camping and the relationship between religion and science. Cooperating with staff, faculty, and other students, members have also brought Massachusetts Recycles Day and Earth Day to the Wheaton.

Ice Hockey (Women's)

The Women's Ice Hockey Club was established in 1994. This year it was coached by Rick Simard. The captains were Hannah Borden and Audrey Hunter. We practice at Mount Saint Charles Arena in Woonsocket. The team has continued to improve over the past four years and always has a lot of fun.

Indoor Soccer (Men's)

The Indoor Soccer club at Wheaton began because there were a great deal of athletes, male and female, who enjoyed soccer but were unable to play at the varsity level for one reason or another. The club has tried to incorporate both a high level of competition as well as a relaxed environment open to all members of the Wheaton community.

Indoor Soccer (Women's)

Jewish Students Association (JSA)

The purpose of JSA is to promote Jewish awareness on campus. It also serves to provide a group for Wheaton's Jewish students to identify with both socially and religiously. Throughout the year, the Jewish Students Association hosts dinners for the holidays of Chanukah and Passover in addition to services and other related programs for Rosh Hashanah and Yom HaShoah. JSA is open to any member of the Wheaton community who is interested in Jewish awareness and Jewish issues on campus.

Middle Eastern Students Association (MESA)

The Middle Eastern Students Association is an ethnic organization on Wheaton's campus. Only five years old, this group is one of the most inclusive organizations of its kind, allowing students of any ethnic background to join on the sole basis of their interest in the group and what it stands for. Members include British, Palestinian, Jewish, Lebanese, American, Egyptian, Syrian, and a whole array of other ethnicities less common to the Wheaton Community. MESA was established with the hope that it would raise the awareness of these minority groups on campus, and has been successful in its efforts.

Niké

Wheaton's yearbook staff is a small committed group of individuals dedicated to providing students with a remembrance of their four years at Wheaton. Each book is filled with images that characterize life on Wheaton's campus. Every year we attempt to make the book more creative and exciting. Our staffers try to capture daily life and important events on campus.

The Outing Club

Ben Takamuri and Masaki Okamato have been in charge of the Outing Club since their freshman year. They have run a variety of programs ranging from ice climbing workshops to trips to Graceland. The club is based upon the philosophy that image is everything. If you don't look good then why do it at all? TCB...

Rugby (Women's)

Russian Club

Spanish Club

S.O.S.
Students Organized for Service

We are an organization of Wheaton students committed to providing service in and around our community. Some projects we have worked on are: Boston's City Year Serve-A-Thon, the Walk for Cancer, the Walk for Multiple Sclerosis, and the Walk for Hunger.

Student Art League

Tri-Beta Biological Society

Wheaton Wire

The Wheaton Wire is Wheaton's student run newspaper. It is published bi-weekly and our goal is to keep the Wheaton community informed of campus news and events. 1997-98 has been a great year for the Wire! With an almost entirely new staff, the paper has become more consistent and has expanded to a 12 page issue. While the staff is fairly young, made up of mostly freshmen and sophomores, there has been great improvement over this year in quality of writing and having a young staff means that there will be people around to make sure the Wire continues to improve in the years to come. We would like to thank the community for your support!

Intercultural Board (ICB)

In the pursuit of strengthening pluralism on the Wheaton campus, the Multicultural Clubs are coalesced into a political unit to advocate for minority interests, support the missions of each club and function as a coalition of concerned students and campus leaders. This forum is established to explore the question of "what is culture?", moving beyond the current stereotypes, serving as a resource of the Multicultural Clubs and Dean's Interns, and enhancing campus consciousness of cultural similarities and differences.

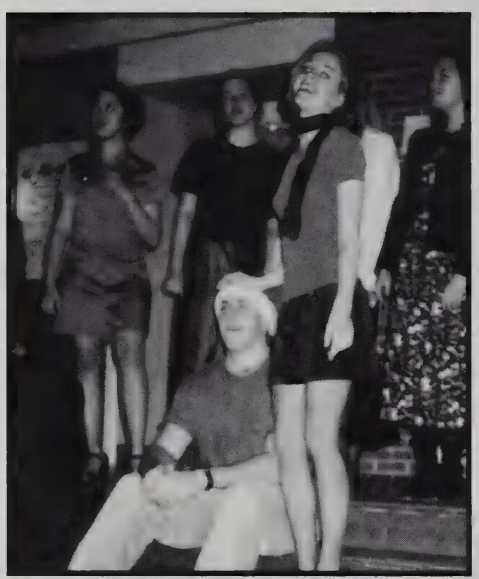
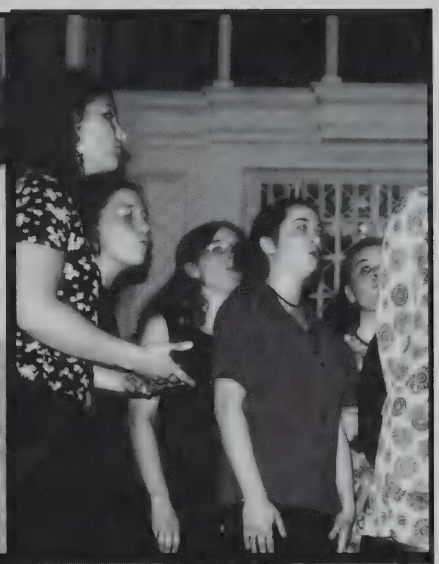
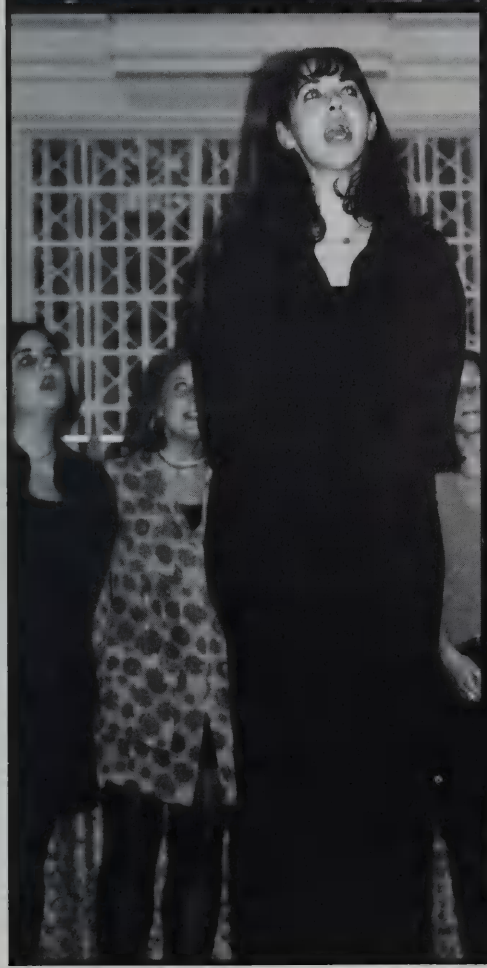
Whims

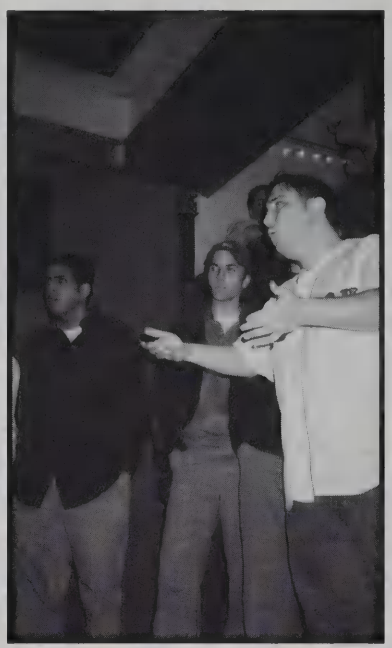
The goal and mission of the Wheaton College Whims is to expand the musical diversity of this campus by providing a group for qualified women to join together and create beautiful and meaningful vocal performances. The Whims will forever remain a group that fosters sisterhood and understanding by enhancing its members' mutual love of music.



Wheatones







The Gentlemen Callers

This year, The Gentlemen Callers, Wheaton's only all-male A Capella group, celebrated its tenth year. The GCs recorded a live album from their December Jam and are working on another album which will be released sometime next year. Graduating seniors this year are Keith Usher, Marc Troiano, and Chris Green.

1997 Men's Cross Country

The Wheaton Men's Cross Country Team took a huge leap forward in the 1997 season as freshmen Matt Callahan and John Drewniak arrived to bolster returnees Kevin Bullock, James Ricci, and George Perkins.

For the first time in years, the Lyons were able to place in the upper third of all their major meets.

Coaches: Art Conro, Paul Souza

1997 Women's Cross Country

After finishing second in the 1996 ECAC Tournament, much was expected of this year's Wheaton Women's Cross Country Team. Unfortunately, injury and sickness ruined any hopes the Lyons had of a championship this year.

At the Westfield Invitational, where the team was healthy, the Lyons defeated 18 of the best teams in the east, with much credit going to Senior, Sarah Howard and Junior, Rebecca Chamberlin.

Even when they were lacking, the team placed third at the NEW-8 Tournament and were ninth out of fifty at ECAC's.

1997 Men's Soccer

The 1997 Wheaton Men's Soccer Team ended regular season play with a 13-3-1 record that enabled them to go to the NCAA tournament for the first time in Wheaton soccer history.

Wheaton beat Keene St. at home to advance to the 2nd round of the NCAA's vs. Plymouth St. There they played to a 1-1 tie, which resulted in an unsuccessful shootout. The team was ranked 7th in the Nation.

Junior, Jim Manganello, earned 3rd team All-American and 1st team All-New England status, as didEric Reed.

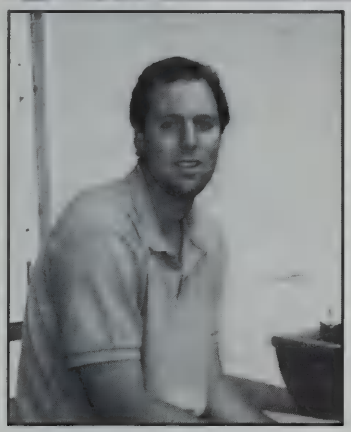
Staff

Elizabeth Beman, Christy Dubay, Cory Johannssen, Sara Squires, Wendy Thayer



First, I would like to say thank you to the amazing staff of Niké for the wonderful year we have put in, the numerous hours, screaming matches, late night snacks in the yearbook office, and many, many good times and laughter. Now I need to take a moment to thank the individuals that made the book what it is.

Alex - Without you we would have a half unfinished book made up of uncounted hand layouts.

Mary - You are truly a "yearbook goddess." Your wisdom and patience have been uncomparable. You have been my saving grace on many occasions.

Abby - As the master photographer you have triumphed. Getting photos done and organizing all of the photographers has made you a great asset to our staff.

Heather P. - Thank you so much for always being there to do whatever we needed, whenever we needed you.

And last but not least,

Heather J. - No involvement has never been too much. I appreciate all of your help and mental support. Between you and everyone else, I never would have made it through.

Thank you so much to everyone else that helped out throughout the year. It has truly been a learning experience. Now I know to measure EVERYTHING in picas (don't forget to count them), white space ONLY goes on the outside of the page, no circles or curved corners, and squares and symmetry are our best friends.

Thank you all so much,

Jeniffer Hargroves
Editor-in-Chief
